

# LIVING FROM WITHIN THE LAND OF HOPE

A Reflection Day at Sychar House, Toowoomba

Facilitated by Patrick Oliver

The day will be a blend of input and reflection time with an opportunity towards the end of the day for group sharing. However, the accent is upon creating a contemplative space for the Spirit to work within us, and to teach us what we need to know to enable us to live from a place of hope in the midst of troubling times.

**WHEN:** Saturday 16 November 2024

**TIME:** 9.00 am for prompt 9:30 am start. Workshop concludes by 2.30 pm.
